I refer to your letter of 24 January 2023 advising Norfolk County Council of the draft Examination Timetable and the information to be submitted at Procedural Deadline A.

### Suggestions for Site Inspections

In relation to the development that would take place in Norfolk County, we would request that the Inspector visits the following locations for site inspections:

- Grid Connection to the Walsoken DNO Substation from Broadend Road;
- Grid Connection to the Walsoken DNO Substation from the A47;
- The easement corridor of the A47 where the grid connection would be routed.

Through correspondence with Cambridgeshire County Council (CCC) we also understand that the group 'WisWIN' request the development site is also viewed from 'Walpole village' (there are three parishes in Norfolk, Walpole, Walpole Highway and Walpole Crosskeys).

If you have any queries, please do not hesitate to contact Andrew Sierakowski on [REDACTED], or Ralph Cox on [REDACTED].

Yours sincerely
