

Will

This happen in
Wisbech.

With the SUEZ-operated Energy Recovery Centre at Avonmouth forming the backdrop, DB Cargo Class 66/0 No. 66136, still with its 'First Yiwu-London Train' branding, shunts a colourful raft of refuse containers into the centre, having arrived from Northolt on 12th June. *Edward Gleed*

This is the Incinerator (sorry, Energy Recovery Centre - sounds so much better!) in Avonmouth on the outskirts of Bristol. It is 125 miles from London and receives regular trainloads of London waste for incineration. Wisbech is only 100 miles from London, so with a reopened railway could easily become the dumping ground for London's rubbish!

OBJECTION. 10.3.2023
(KEYWORTH CHP)

Dear Sir,

My husband & I were observers at the Preliminary Hearing at The Boat House on February 22nd. 2023.

Please find enclosed listed Buildings in Wisbech (250) only one is grade 1 listed 249 are grade 2 listed. Peckover House Built in 1772, Nikolaus Pevsner wrote in the Buildings of England, North Brink the most important Georgian Facade in the U.K. (England)

The water from the taps here are very high in lime scale; we buy a new kettle every year. Steam cleaners stop working as the pumps become obstructed with lime scale will the system to be used have the same problem???

Who will monitor the small particles emitted from the chimney. Fenland & Cambridge have declined to help in this matter. The Environment Agency open Mon-Fri, Ely & Townham Market are miles away, Telephone No is never answered 0800 8070 60, no one is available.

Councillors (R.V.C. Have drawn and coloured a brown swathe of land called Hedworth Rural. Its not rural in any sense of the word, Rural means relating to or character-istic of the countryside rather than town. It is town most definitely. Please adjust the map accordingly!!!

We have in this town serious sustained failure of strategic leadership. Responsibility for this ultimately rests with the political leadership over many years, in particular the relevant Council leaders who are responsible for setting the direction and tone of the town. Have failed

Yours faithfully
