1. Introduction

1.1 Background

1.1.1 In Section 5 of Annex H to the Rule 6 letter dated 24 January 2023, the Examining Authority requested that the Applicant produce a Compulsory Acquisition Schedule detailing the progress made for plots subject to compulsory acquisition.

1.2 Purpose of this Document

1.2.1 This Schedule details those affected persons that have submitted a relevant representation, the nature of their interest as set out in Parts 1, 3 and 3 of the Book of Reference (Revision [35](#), Deadline [43](#)), the nature of the compulsory acquisition powers being sought and the current status of the objection.

[1.2.2](#) Further detail relating to the compulsory acquisition powers being sought and the justification for such powers is set out in the **Statement of Reasons [APP-017]**(submitted at [Deadline 3](#)) and Schedules 8 and 10 to the **draft DCO (Volume 3.1)** (Revision [23](#), Deadline [43](#)).

[1.2.3](#) Table 1.1 of this Schedule identifies those affected persons where the Applicant has made reasonable attempts, and continues to make reasonable attempts, to acquire the land or rights required for the Proposed Development by voluntary agreement.

[1.2.2.1.2.4](#) Table 1.2 of this Schedule identifies those affected persons who have interests listed in the Book of Reference but where the Applicant does not consider it necessary to enter into a voluntary agreement as the affected person is not a landowner or a tenant nor do they have the benefit of restrictions on the use of the Order land that would be extinguished, suspended or interfered with by the Proposed Development.
