Accompanied Site Inspection Itinerary – Thursday 11 May 2023

The final itinerary for the Accompanied Site Inspection (ASI) can be found below. As per our letter from the 20 April 2023, if you wish to attend the ASI you must register through the [online questionnaire](#) by **Tuesday 2 May 2023**, providing telephone contact details (preferably mobile telephone) so that we can contact you should the ASI run late or need to be cancelled with minimal notice. Please also let us know of any mobility needs that may affect transportation

Please note that the Examining Authority's (ExA) inspection of sites is **not** an opportunity to provide any oral representations on the project or discuss evidence. It is an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

Joining the site visit

The site inspection will commence at **10:00 am at The Boathouse**. Participants are asked to assemble promptly as the ExA will not wait for parties who are not present at the start time.

The deadline by which parties were asked to request attendance at the ASI is Tuesday 2 May 2023. Due to limited capacity in the vehicles that will be used for the ASI, only those parties who notified the ExA will be able to attend.

Clothing

Attendees are recommended to wear appropriate sturdy footwear and weather appropriate clothing. The Applicant will provide hard hats, high visibility jackets, safety glasses and gloves, if required.

Sites on private land

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

Refreshments

Please note refreshments will not be provided.

Cancellations

Please note that in the unlikely event that the Accompanied Site Inspection is cancelled we shall endeavour to contact attendees beforehand, but we ask that you regularly check the Planning Inspectorate's website which can be viewed here:

Detailed itinerary for Accompanied Site Inspection (Thursday 11 May 2023)

Location Number	Time	Location	Details
N/A	10.00	The Boathouse	Meet in the entrance foyer of the Boathouse Business Centre, wearing suitable clothing and footwear for walking outdoors. The Applicant will provide minibus transport for all attendees and hard hats/hi-vis vests for those locations where these are a requirement.

1	10.30	Thomas Clarkson Academy (TCA) (6 mins from Boathouse)	Attendees should be mindful that this is a school and there may be students on site. For safeguarding reasons, no one should engage with individual or groups of young people.
2	11.00	Algores Way Waste Transfer Station (2 mins from TCA)	This is an operational waste and aggregates site. The Applicant will provide hard hats and hi-vis vests for all attendees. A site safety induction will be provided on arrival; time has been allowed for this
3	12.00	9 New Bridge Lane (5 mins from Algores Way) 10 New Bridge Lane	
4	12.30	Break	The minibus will take all attendees to the Wisbech Retail Park car park off Sandown Road, where attendees will be dropped off in front of Costa Coffee. There are public toilets and a number of food outlets nearby where lunch can be purchased. All attendees must meet back at the minibus by 13:50 at the latest to continue the site inspection.
5	14.00	Walsoken substation (11 mins from Tesco)	Where possible and practical, the Applicant will indicate the route of the electrical connection (underground cable) from the EfW CHP Facility site to the National Grid substation during the journey. A map will be provided to assist in visualising this.
6	15.00	The Boathouse	This is the latest time at which the ASI is anticipated to finish.

Yours faithfully

Andre Pinto
