Subject: Medworth Energy from Waste Combined Heat and Power Facility DCO - Network Rail Infrastructure Limited [ADDGDD-LIVE.FID3774172]

Dear Sir or Madam

Network Rail Infrastructure Limited
IP Reference: 20033241

Written Submission

1. The Panel have stated that it may be helpful for Network Rail to attend the Issue Specific Hearings on 16 – 18 May. However, in the interests of efficiency, Network Rail is providing this written statement rather than attending the hearing.
2. The parties continue to negotiate the terms of an agreement and protective provisions to resolve Network Rail's concerns as set out in its Written Representations (Examination Library Reference REP2-039). These negotiations have been positive and the parties are close to reaching a final form of agreement and anticipate completion of this agreement before the end of the Examination.
3. Network Rail respectfully requests that if the Panel has any specific queries for Network Rail which it intended to raise at the hearing, that these are instead included in the Panel's Second Written Questions to be issued by 5 June 2023, and Network Rail will respond accordingly.

Kind regards

Charlotte
