Subject: WISBECH INCINERATOR

The Inspectorate have reported that there is one last opportunity to speak to the Planning Inspector through an Open Floor Hearing during the week commencing 26th June 2023 if the local community calls for it.

As the Wisbech Campaign Co-ordinator, I am pleased to confirm that many people have said that they definitely want to take up this final opportunity.

The majority of people have said their preference would be late afternoon/early evening.

Perhaps you could provide a date, time, length of time people can speak, whether it's also required to be in writing and any other criteria required.

Your advice appreciated.

Kind regards.
