Subject: Medworth - Hearing notification

Dear Tracey,

The Applicant has produced the press Notice for the additional Hearing dates week commencing 26 June 2023, based on the information received from PINS yesterday. Due to the short timeframe, it will not be possible to get the Notice printed in the local press until 19 days in advance of the first Hearing. The local paper in Wisbech, the Fenland Citizen, is published on Wednesday of each week so the Notice will not be in print until 7th June 2023. It will be published in the online notices section of the Fenland Citizen on Monday 5th June. Site Notices will be erected on Monday 5th June, which is 21 days in advance of the first Hearing.

The Applicant therefore requests that the ExA waive the requirement to publish the Notice in print at least 21 days in advance of the first Hearing, on the basis that it will be online and physical site Notices will be in place 21 days in advance of the Hearings. We look forward to your response at your earliest convenience.

Kind Regards
Jane
