Appendix A Tracking evidence for Category 2 persons with an interest in the unadopted section of Algores Way

1. Introduction

1.1 Background

- 1.1.1 The **Action Points from Compulsory Acquisition Hearing 2 (CAH2) of 13 April 2023 [EV-031]** included Action Point 6 (CA2-6). This Action Point required the Applicant to provide evidence in relation to recorded delivery letters to businesses along Algores Way identified as Affected Persons.
- 1.1.2 The Applicant has detailed the extensive pre-application consultation activities undertaken and compliance with the Applicant's legal duties under the DCO application process. Appendix B of the **Written Summary of the Applicant's Oral Submissions at CAH1 & 2 (Volume 11.2) [REP3-037]** provides a summary of both non-statutory and statutory consultation, including associated communications.
- 1.1.3 Further detail is now submitted in relation to CA2-6 regarding receipt of notices pursuant to s56 of the Planning Act 2008 in respect of identified Affected Persons with an interest in the unadopted section of Algores Way.

2. CA2-06 Review

- 2.1.1 The Applicant engaged Carter Jonas, a Land Agent and provider of Land Referencing Services, in spring 2020 to undertake the necessary diligent inquiries associated with the DCO application, including identifying those persons who should be included in the Book of Reference (BoR). Various land referencing activities were undertaken, including obtaining and reviewing Land Registry data and sending Requests for Information (RFIs) to all identified affected parties (see section 7 of the **Statement of Reasons [REP3-011]** for further details).
- 2.1.2 Fenland District Council (FDC) own the unadopted section of Algores Way, being land parcels 13/4a, 13/4b, 13/4c(i), 13/4c(ii), 13/4d, and 14/1a as shown on the **Land Plan [REP1-004]**, and were sent an RFI and asked to provide information on any party with an interest in and/or rights over the unadopted section of Algores Way. RFIs were issued to FDC on 30th November 2020 and 3rd June 2021. Despite reminder letters being sent, no response was received from FDC.
- 2.1.3 Where interests in the unadopted section of Algores Way were known to the Applicant, due to the interest being registered at the Land Registry, these parties received notification of the statutory consultation under s42 of the Planning Act 2008. These parties were also included in the original Book of Reference submitted with the DCO Application (**Volume 4.1 [APP-015]**) and therefore received notification of the acceptance of the DCO application pursuant to s56 of the Planning Act 2008 via tracked service. A summary of engagement with persons identified as having an interest in the unadopted section of Algores Way is presented at **Table 1-1**.
- 2.1.4 In addition, site notices (referenced and evidenced at Appendix C to Volume 11.2 **[REP3-037]** and submitted at Deadline 3) were placed along Algores Way to notify unknown persons with an interest in land and the local community of the statutory consultation and acceptance of the DCO Application in accordance with s42 and s56 of the Planning Act 2008.

A copy of this letter was included at Appendix A to the Draft Written Summary of the Applicant's Oral Submissions at CAH1 & 2 (Volume 11.2 [REP3-037]) , submitted at Deadline 3.

3. CA2-06 Evidence

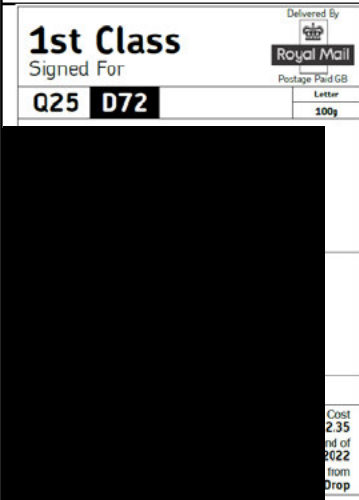

- 3.1.1 Royal Mail's '1st Class Signed For' service was used for delivery of the s56 Notices. Notices sent to those persons identified as having an interest in the unadopted section of Algores Way are set out in Appendix A. Where currently available on the Royal Mail website, a copy of the receipt is provided in Appendix A, which includes the surname of the recipient signing for the Notice. For completeness, a copy of the address label and related land interests is also provided.
- 3.1.2 In the process of tracking the confirmation of receipt of the s56 notices for the purposes of responding to CAH2 Action Point 6, the Applicant identified that Royal Mail's online tracking system did not have confirmation of receipt in respect of 5 notices relating to a 2 interests in Algores Way (Melidre Limited and George J. Goff Limited (directors including Michael Lee Johnson Goff and Julia Elizabeth Goff)) and where there was no other evidence of confirmation of receipt available (e.g. email confirmation). The Applicant has contacted Royal Mail to see if confirmation of delivery can be provided.
- 3.1.3 Royal Mail confirmed that their system showed the notice as having been received by Royal Mail but they did not have confirmation of delivery. However, as the notice was not returned to the Applicant (as is the normal practice where delivery has not been successful and occurred for some notices as set out in Appendix A), the Applicant considers it reasonable to assume that the notices was delivered as the addresses used for Meldire Limited and George J. Goff Limited were the registered offices at Companies House.
- 3.1.4 Notwithstanding the above, Meldire Limited were identified as potentially having additional interests in the unadopted section of Algores Way during the refresh of the BoR for Deadline 3 and therefore received the letter sent out in March 2023 (as described in the **Draft Written Summary of the Applicant's Oral Submissions at CAH1 & 2 (Volume 11.2 [REP3-037])**).
- 3.1.5 As a result of this exercise, and to ensure that all parties have the chance to participate in the Examination, the Applicant has also sent a copy of the letter sent out in March 2023 to George J. Goff Limited.
