# 1. Introduction

## 1.1 Introduction

- 1.1.1 This Book of Reference (BoR) has been prepared for Medworth CHP Limited (the Applicant) who is applying to the Secretary of State (SoS) for a Development Consent Order (DCO) to construct operate and maintain an Energy from Waste (EfW) Combined Heat and Power (CHP) Facility on the industrial estate, Algores Way, Wisbech, Cambridgeshire. Together with associated Grid Connection, CHP Connection, Access Improvements, Water Connections, and Temporary Construction Compound (TCC), these works are the Proposed Development.
- 1.1.2 The Proposed Development would recover useful energy in the form of electricity and steam from over half a million tonnes of non-recyclable (residual), non-hazardous municipal, commercial and industrial waste each year. The Proposed Development has a generating capacity of over 50 megawatts and the electricity would be exported to the grid. The Proposed Development would also have the capability to export steam and electricity to users on the surrounding industrial estate. Further information is provided in **Chapter 3: Description of the Proposed Development (Volume 6.2)**.
- 1.1.3 The Proposed Development is a Nationally Significant Infrastructure Project (NSIP) under Part 3 Section 14 of the Planning Act 2008 (2008 Act) by virtue of the fact that the generating station is located in England and has a generating capacity of over 50 megawatts (section 15(2) of the 2008 Act). It, therefore, requires an application for a DCO to be submitted to the Planning Inspectorate (PINS) under the 2008 Act. PINS will examine the application for the Proposed Development and make a recommendation to the SoS for Business, Energy and Industrial Strategy (BEIS) to grant or refuse consent. On receipt of the report and recommendation from PINS, the SoS will then make the final decision on whether to grant the Medworth EfW CHP Facility DCO.
- 1.1.4 The DCO, if made by the SoS, would be known as the 'The Medworth Energy from Waste Combined Heat and Power Facility Order (the Order).
- 1.1.5 This BoR has been prepared pursuant to Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (as amended) (the APFP Regulations).
- 1.1.6 The land described in this BoR, which is to be subject to powers of compulsory acquisition and temporary possession, is required for the development to which the Order relates or is required to facilitate or is incidental to that development. The works comprising the authorised development are described in Schedule 1 to the Order (**Volume 3.1**) and shown on the **Works Plans (Volume 2.3)**.
- 1.1.7 Every parcel of land that is affected is identified as a plot and a unique number has been ascribed to each plot. The plots are shown on the **Land Plans (Volume 2.2)** which accompany the Order and are listed in the relevant Parts of this BoR. Those parcels of land that are shown on the Land Plans edged red and shaded grey fall within the Order Limits but are not the subject of an application for powers of

### 3 Book of Reference

compulsory acquisition, rights to use land (including the right to attach brackets or other equipment to buildings) or rights to carry out protective works to buildings and therefore are not listed in the relevant Parts of this BoR.

1.1.8 This BoR is comprised of five Parts, in accordance with Regulation 7(1) of the APFP Regulations, as summarised below.

1.1.9 All plot area measurements in the BoR are approximate, as these measurements are given in square metres, and each measurement is rounded to two decimal places.

## 1.2 Book of Reference Parts 1 to 5

### Book of Reference Part 1

1.2.1 Part 1 of the BoR is described in Regulation 7(1)(a) as follows:

*“...Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to—*

- (i) powers of compulsory acquisition;*
- (ii) rights to use land, including the right to attach brackets or other equipment to buildings; or*
- (iii) rights to carry out protective works to buildings..”*

1.2.2 Part 1 contains names and addresses for service for every person who is known, after making diligent inquiry, to be an owner, lessee, tenant or occupier of the plot (known as Category 1 persons) or, is interested in or, has the power to sell, convey or release the land (known as Category 2 persons).

1.2.3 A person is within Category 1 if the applicant, after making diligent inquiry, knows that the person is an owner, lessee, tenant (whatever the tenancy period) or occupier of land to which the application for development consent relates; see section 57(1) and (7) of the PA 2008.

1.2.4 A person is in Category 2 if the applicant, after making diligent inquiry, knows that the person is (i) interested in the land or (ii) has power to sell or convey the land or release the land. This includes mortgagees, cautioners and beneficiaries that may have an interest in the land to which the application for development consent relates.

### Book of Reference Part 2

1.2.5 Part 2 of the BoR is described in Regulation 7(1)(b) as follows:

*“...Part 2 contains the names and addresses for service of each person within Categories 3 as set out in section 57;”*

1.2.6 A person is within Category 3 if the Applicant thinks, having made diligent inquiry, that they would or might be entitled to make a relevant claim as a result of implementing the Order, or as a result of the Order having been implemented, or as

## 4 Book of Reference

a result of the use of the land once the Order has been implemented. A relevant claim is defined in section 57(6) of the PA 2008 by. This means:

- a) A claim under section 10 of the Compulsory Purchase Act 1965 (compensation where satisfaction is not made for the taking or injurious affection of land subject to compulsory purchase), or
- b) A claim under Part 1 of the Land Compensation Act 1973 (compensation for depreciation of land value by physical factors caused by the use of public works), or
- c) A claim under section 152(3) of the PA 2008 where land is injuriously affected by the carrying out of the authorised works.

1.2.7 It is considered that Category 3 includes all Category 2 persons (i.e., those with legal rights (or easements) over the land within the Order limits). Category 3 also contains persons with interests in land outside the Order limits who, it is considered, might be able to make a relevant claim (as defined above).

1.2.8 Part 2 of the BoR contains the names and addresses of all those Category 3 persons who it is considered might be able to make a relevant claim. For each plot, a description of the land and its approximate area are provided.

### Book of Reference Part 3

1.2.9 Part 3 of the BoR is described in Regulation 7(1)(c) as follows:

*“...Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with..”*

1.2.10 Part 3 of the BoR contains the names and addresses of those entitled to enjoy easements or other private rights which it is proposed may be extinguished, suspended or interfered with in connection with the authorised development, pursuant to the Order.

1.2.11 Certain relevant persons included within Part 1 of the BoR have also been included within Part 3 where their rights may be considered to be affected. Examples include statutory undertakers with rights to keep services in or under the land, and whose rights over the land may be affected whether the land, or rights over land, are acquired permanently or the land is used temporarily.

### Book of Reference Part 4

1.2.12 Part 4 of the BoR is described in Regulation 7(1)(d) as follows:

*“...Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made;”*

1.2.13 "Crown land" is defined in section 227 of the PA 2008 and includes interests belonging to Government departments among other Crown interests.

1.2.14 Please note, no crown land has been identified within the Order limits.

## Book of Reference Part 5

1.2.15 Part 5 of the BoR is described in Regulation 7(1)(e) as follows:

*“...Part 5 specifies land—*

- (i) the acquisition of which is subject to special parliamentary procedure;*
- (ii) which is special category land;*
- (iii) which is replacement land;*

*and, for each plot of such land within which it is intended that all or part of the proposed development and works shall be carried out, the area in square metres of that plot.”*

1.2.16 Having made diligent inquiries no land has been identified that would be required to be included in Part 5.

### 1.3 Interpreting the BoR, land plans and draft Order in context

1.3.1 The majority of the plots identified in Part 1 of the BoR are subject to the power to acquire permanent rights (including restrictive covenants) contained in Article 24 (Compulsory acquisition of rights) of, and Schedule 8 (Land in which only new rights etc. may be required) to, the Order. These plots are shown coloured blue on the land plans.

1.3.2 A small number of the plots identified in Part 1 of the BoR will be subject to the power of outright acquisition in Article 22 (Compulsory acquisition of land) of the Order. These plots are shown coloured pink on the land plans.

1.3.3 The land shown coloured blue on the land plans is subject to powers of temporary possession for the purpose of carrying out the authorised development (by virtue of Article 31 (Temporary use of land for carrying out the authorised development)) and Article 32 (Temporary use of land for maintaining authorised development).

1.3.4 Plots that are subject to powers of temporary possession only, such as for the purpose of access to and/or use as a temporary construction compound, are listed in Schedule 10 of the Order and shown coloured green on the land plans.
