Dear Ms Williams

**Planning Act 2008 (AS AMENDED), Infrastructure Planning
(Examination Procedure) Rules 2010**

**EN010110 - Application by Medworth CHP Limited for an Order Granting
Development Consent for the Medworth Energy from Waste Combined
Heat and Power Facility (Medworth EfW CHP Facility)**

Response to Deadline 7A (Friday 11 August 2023)

As we approach the close of the Examination, this letter provides the Examining Authority with an update on the unsigned statements of common ground.

Cambridgeshire County Council and Fenland District Council

An unsigned statement of common ground with Cambridgeshire County Council and Fenland District Council (Volume 9.4B) (Rev 4.0) was submitted at Deadline 7. The parties are finalising their positions on the outstanding matters and will submit a signed version at Deadline 8.

Network Rail

Since the meeting on 4 August 2023, the Applicant and Network Rail have made significant progress. The Business and Technical Clearance Certificates to accommodate the CHP Connection (Works No. 3A and 3B) and Access Improvements (Works No.4A) on Network Rail's land have been issued, and the parties are close to agreeing on a private agreement which provides for entry into property agreements relating to Network Rail property. In particular, commercial terms have been agreed. Both parties aim to submit a final, signed statement of common ground for Deadline 8.

If you have any questions concerning the Applicant's update, please do not hesitate to contact our planning agent David Kenyon, WSP Ltd ([REDACTED]).

Yours sincerely

Paul Carey
