Dear Sir / Madam

Application by Medworth CHP Limited for an Order Granting Development Consent (DCO) for the Medworth Energy from Waste Combined Heat and Power Facility

We are writing on behalf of Cambridgeshire County Council and Fenland District Council (the Councils) in response to the Medworth CHP Limited DCO Examination Deadline 8.

Included with this submission are the following documents:

- CLA.D8.OS.A.C – Comments on the Applicant’s Deadline 7 Submissions;
- CLA.D8.SOCG.A – Statement of Common Ground between Medworth CHP Limited and Cambridgeshire County Council and Fenland District Council; and
- CLA.D8.POS.S – CCC and FDC Final Position Statement.

The Final Position Statement has been submitted to provide an overview of the Councils’ overall position at the end of Examination, including any outstanding issues. The Councils request that these issues be carefully considered by the Examining Authority and ultimately by the Secretary of State.

The Councils have also submitted their Statement of Common Ground with the Applicant for completeness, however we also expect the Applicant to submit the same version of the document to Examination.

If you have any queries regarding the submissions or require any further information, please contact planningdc@cambridgeshire.gov.uk / [REDACTED]

Yours sincerely
