**Subject:** Comments to sectary states Wisbech medworth letter

You don't often get email from [REDACTED] [Learn why this is important](#)

Clearly mvv has failed to secure any contracts for chp from any local factory ,I have sent the planning inspectorate an email of a reply I've received from a director of nestle Purina ,they will not be using anything that is produced by the planned incinerator be it chp or steam ,lamb Weston is clearly of the same view ,there is a no incinerator yellow sign on there business fence ,,what choice is this for any local businesses big or small a bit of cheap energy at what costs ,loads of extra heavy traffic ,pollution ,smell ,the risk of runing there own kids health for a bit of cheap energy ,so in reply to the sectary of states letter ,mvv has failed to get any contracts with any local buisnessbecause they dont want it in there town or near the schools ,common sense me prevail ,mvv has clearly shown it hasnt looked at any other sites as in letter ,and definetly no thought for any local person ,its a town not a city many thanks mr simon ridgewell
