The roads around here are awful – especially on the proposed industrial estate areas Algores Way and Boleness Road where i work and have had vehicles damaged already.

They cannot take even more heavy goods traffic.

I have actually had a vehicle crash into the back of mine when I was entering our factory premises as it was going too fast to stop!

The massive lorries always speed up Boleness Road from the warehouse but I have NEVER seen a speed camera there!

They over-night park at the roadside creating chaos as there's then only room for one vehicle to pass.

Safety is paramount and this proposed development will significantly create more dangerous conditions – even deaths – so be it on your head !

Nothing is worth that – REFUSE IT.

Paul Wilson
