To Whom It May Concern

Wisbech Medworth Project

James Mackle UK Ltd is a small family owned food business operating from our own property at 57 Algores Way, Wisbech, Cambridgeshire, PE13 2XQ.

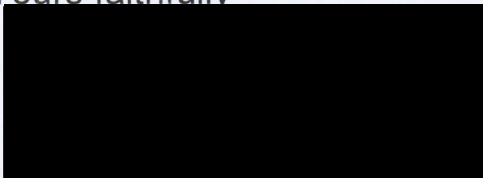

I believe that the proposed facility will have a severe detrimental impact on our ability to obtain business, which ultimately could lead to the closure of our company.

Operating in the B2B sector our company currently supplies product to some of the largest and most respected names in the food industry throughout the UK.

We have invested heavily in this site over recent years.

Our location means that we would be sited next door to this facility, which we think could have a major impact on our ability to obtaining business from our customers.

Yours faithfully

Michael Mackle
