Subject: The Proposed Incinerator

You don't often get email from [REDACTED] [Learn why this is important](#)

We wish to register our very strong objection to this incinerator. We are in agreement with the objections of Fenland District Council. It is beyond comprehension that anyone can think that this proposed incinerator is suitable for this location given the pollution resulting from chimneys and 300 lorry movements daily sweeping over the already heavily polluted town and nearby schools.

This incinerator will be of no benefit to the town whatsoever. There are more than enough job vacancies in the area, in fact there is a shortage of labour.
