23rd June 2022

Dear Sir/Madam,

**Nationally Significant Infrastructure Project
Awel y Mor Offshore Wind Farm [EN010112]
Registration of Interest Response**

Thank you for your consultation regarding the above development. The UK Health Security Agency (UKHSA) welcomes the opportunity to comment on your proposals at this stage of the project. This response is impartial and independent.

We acknowledge that the Environmental Statement (ES) has not identified any issues which could significantly affect public health.

Following our review of the submitted documentation we are satisfied that the proposed development (with planned mitigation techniques) should not result in any significant adverse impact on public health. On that basis, we have no additional comments to make at this stage and can confirm that we have chosen **NOT** to register an interest with the Planning Inspectorate on this occasion.

It should be noted that Public Health Wales (PHW) is the national public health agency in Wales who will take the lead in health and wellbeing considerations.

Please do not hesitate to contact us if you have any questions or concerns.

Yours faithfully,

On behalf of UK Health Security Agency
