Dear Sir/Madam,

## **Planning Act 2008 (as amended) (PA2008) and the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) (EPR) – Section 88 and Rule 6**

### **Application by Awel y Môr Offshore Wind Farm Limited for an Order Granting Development Consent for the Awel y Môr Offshore Wind Farm**

#### **Other Person status in examination**

The Planning Inspectorate contacted on 3 August 2022 to consult you under Regulation 24 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2012. In addition to the Examining Authority (ExA) has taken a decision to provide you with 'Other Person' (OP) status in the examination. This will ensure that you receive relevant correspondence from the Inspectorate in relation to the examination of this application.

Under Section 88(3) of the PA2008 and Rule 6(1) of the EPR, the ExA can invite other persons they consider to be appropriate to the Preliminary Meeting (PM). Any person who is invited to the PM in this way will also be sent, for information purposes, the Rule 8 letter which confirms the examination timetable. They will also be sent any amendments to that timetable under Rule 8(3) of the EPR.

You should therefore treat this letter as your invitation to the PM which will be held on Tuesday 20 September 2022, 10:00am at Venue Cymru, Llandudno, North Wales LL30 1BB. The PM will also take place on Microsoft Teams as a blended event. Full instructions on how to join online or by phone will be provided in advance of the meeting to those who register to participate. The 'Rule 6' letter will be issued on 23 August 2022 and will be sent to all interested parties, which contains important information about the event. Confirmation of your status as an 'other person' will be provided at Annex B.

Importantly you should be aware that there is no automatic right for other persons to make representations during the course of the examination, as they do not have the status of interested parties. If you wish to make representations however, you should submit them to the ExA to the appropriate deadlines set out in the examination timetable. You may also request to speak at any hearings. Under the EPR the ExA has discretion to allow representations from other persons, both written and oral, to be read or heard in conjunction with the examination.

Also, any person, whether they have been invited to the PM or not, may make a request to become an interested party if they meet the criteria in s102A of the PA2008. If you have a legal interest in land affected by the scheme and have not already registered to become an interested party, then you can make a request to the ExA to become an interested party under s102A of the PA2008.
