Thank you for your email notification of the above Issue Specific Hearings. We are instructed by Network Rail Infrastructure Limited in respect of the above Application. Network Rail remains concerned to ensure that comprehensive Protective Provisions are included in the DCO, in order to protect its statutory undertaking to own and operate the national rail network.

Network Rail has submitted its case to the Examining Authority in the form of Additional Submission and Written Representations, to include the preferred form of Protective Provisions. Network Rail is in discussions with the Applicant, regarding the form of Protective Provisions for inclusion in the DCO as well as related agreements which, when completed, will enable the Applicant to implement the Proposed Scheme whilst also protecting Network Rail's statutory undertaking. Network Rail is hopeful that these negotiations are progressing and as such will not be appearing at the Issue Specific Hearings in December. Network Rail however remains interested in the proceedings to protect its position and ensure that comprehensive Protective Provisions are included in the DCO.

Kind regards

Juliet Clark (for Network Rail Infrastructure Limited).
