

## Keadby Development Consent Order

### Comments on deadline 3 submissions on behalf of Network Rail

1. Network Rail wish to make the following comments on the Promoter's 'Comments on Written Representations' submitted at deadline 3.

<b>Comment in Promoter's Submission</b>	<b>Network Rail's Response</b>
General submission	Network Rail notes the Promoter's responses to its written representation and these responses are currently being considered by the technical team. Network Rail will make further comment on these matters in due course.
The Applicant would be willing to discuss and agree Protective Provisions for the protection of operational land.	Network Rail welcomes this response. Network Rail sent the Promoter's solicitor its preferred protective provisions on 6 December 2021. A response is awaited to allow negotiations to progress in this regard.
The Applicant is prepared to agree terms in respect of agreements to the extent that they are necessary and appropriate.	Network Rail welcomes this response. Network Rail sent the Promoter's solicitor a draft Framework Agreement on 6 December 2021. A response is awaited to allow negotiations to progress in this regard.
