Tuesday 8 March 2022

Dear Sir/Madam

Proposal: Application by Keadby Generation Limited for an Order Granting Development Consent for the Keadby 3 Low Carbon Gas Power Station Project.

Canal & River Trust Attendance at Hearings wc. 14th March 2022 (Unique Reference : KDB3-SP090)

The Canal & River Trust wish to confirm our attendance at the Hearing dated 15th March 2022 – Issue Specific Hearing on Environmental Matters. Representatives from the Trust would wish to attend this hearing to assist the ExA with any technical questions relating to points 6 (Geology, Hydrology and Land Contamination) and 9 (Cultural Heritage) of the issued agenda.

The Trust no longer considers it necessary to attend the Compulsory Acquisition Hearing, the Open Floor Hearing or Issue Specific Hearing 2 to expand upon its written submissions and is content to rely on those submissions. The Trust maintains its objection based as set out in the written representations made to date, including most recently the Deadline 4 response dated 1st February 2022

The Trust therefore does not wish to attend the following hearings:

- Open Floor Hearing (14th March 2022)
- Compulsory Acquisition Meeting (16th March 2022)
- Issue Specific Hearing 2 (17th March 2022)

The Trust are continuing to engage with the Applicant on the proposals with the aim of reaching agreement.

Yours sincerely,

Simon Tucker MRTPI
Area Planner
