Dear George,

Thanks again for your email.

We have liaised with our client this morning and formed the view that we can follow ISH1 and the CAH via the livestream – many thanks for flagging that option.

However, we would like to attend ISH2 on the draft DCO if possible please. [REDACTED], copied in, will attend on behalf of NGV. At present, the only agenda item we consider there may be a need to speak to is item 5, to provide the Examining Authority with an update on the progress of discussions with the Applicant as to protective provisions for the benefit of NGV. However, there may be a need to make representations on other matters arising during the course of the hearing, since the DCO includes provisions which are of direct relevance and importance to NGV.

Please let me know if you need any further information from us at this stage.

Kind regards

Tom
