Subject: RE: EXT:EN010114 – Keadby 3 Carbon Capture Power Station

Good morning,

I can confirm that NGN do not own/maintain any gas assets in the area and apologies as our original response was sent in error as we assumed that the area was ours. Cadent Gas is the gas operator for the area:

I have attached a plan showing that we have no assets in this location.

connecting your property to electricity or gas and moving your meter.

Find your energy network operator using your postcode

Type your postcode, splitting it correctly across the two boxes and then press go.

<input type="text"/>	<input type="text"/>	<input type="button" value="Go"/>
----------------------	----------------------	-----------------------------------

Customers in the Republic of Ireland should contact [ESB Networks](#) for electricity and [Gas Networks Ireland](#) for gas.

Your electricity network operator is...

**NORTHERN
POWERGRID**
delivering power all day, every day

If you are currently experiencing a power cut please call:

North East England:
0800 668 877

Yorkshire:
0800 375 675

Power cut?:
105

Otherwise please call general enquiries:

General:
0800 011 3332

Your gas network operator is...

Cadent
Your Gas Network

If you are currently experiencing a gas emergency please call:

Emergencies:
0800 111 999

Otherwise please call general enquiries:

General:
0800 389 8000

 @CadentGasLtd

The contact details for their plant protection team are:

Email: plantprotection@cadentgas.co.uk

Tel: 0800 688 588

Kind regards,

[REDACTED]

Disclaimer Information

This plan shows those pipes owned by Northern Gas Networks or the relevant Gas Distribution Network in their roles as Licensed Gas Transporters (GT). Gas pipes owned by other GTs, or otherwise privately owned, may be present in this area. Information with regard to such pipes should be obtained from the relevant owners. The information shown on this plan is given without warranty, the accuracy thereof cannot be guaranteed. Service pipes, valves, appurtenances, etc. are not shown but their presence should be anticipated. No liability of any kind whatsoever is accepted by Northern Gas Networks, the relevant Gas Distribution Network, or their agents, servants or contractors for any error or omission. Safe digging practices, in accordance with HSE/C47, must be used to verify and establish the actual position of mains, pipes, services and other apparatus on site before any mechanical plant is used. It is your responsibility to ensure that this information is provided to all persons (either direct labour or contractors) working for you on or near gas apparatus. The information included on this plan should not be referred to beyond a period of 28 days from the date of issue.

This plan is reproduced or based on the OS map by Northern Gas Networks, with the sanction of the controller of HM Stationary Office. Crown Copyright Reserved.
