Dear Sirs

Keadby 3 Carbon Capture Power Station - National Grid Carbon Limited's response to request for further information - Deadline 7a

We refer to the above application for development consent and, on behalf of National Grid Carbon Limited (“NGCL”), submit the following responses to the Examining Authority’s request for further information dated 26 May 2022:

The ExA would invite all Interested Parties to whom this question is directed to summarise their position at Deadline 7a (12.00pm (noon) on Monday 6 June 2022), especially in regard to:

i) any outstanding objection(s);

NGCL response

Discussions have continued with the Applicant in relation to protective provisions and an agreement on all remaining matters regarding protective provisions has now been reached. As such, NGCL can confirm it has no outstanding objections at the close of the examination.

ii) protective provisions;

NGCL response

As noted, full agreement has been reached with the Applicant in relation to protective provisions. The Applicant has confirmed that these will be included in the final version of the draft DCO to be submitted at Deadline 7a.

iii) compulsory acquisition/ temporary possession; and

NGCL response

NGCL has no outstanding comments in relation to matters concerning compulsory acquisition and temporary possession.

iv) the status of any side agreement, interface agreement or other relevant agreements they consider necessary to provide relevant protections or mitigations from the Proposed Development.

NGCL response

Protective provisions have been agreed and the Applicant will include these in the final version of the draft DCO to be submitted at Deadline 7a. There are no active negotiations in relation to any other agreements, since for present purposes all relevant matters have been included and secured through the protective provisions.

Please do not hesitate to contact us should you require further information.

Yours faithfully
