The Secretary of State received a request dated 19 January 2023 from Keadby Generation Limited (“the Applicant”) for the correction of errors in the Keadby 3 (Carbon Capture Equipped Gas Fired Generating Station) Order 2022 (“the Order”), under section 119 of, and Schedule 4 to, the Planning Act 2008.

The Secretary of State has made the following corrections to the Order:

In the definition of "carbon capture and compression plant" after “No 7” add “as set out”

Secretary of State’s rationale:

To correct a drafting error.

In the definition of "carbon capture and compression plant" after “Schedule 1” add “and as”

Secretary of State’s rationale:

To correct a drafting error.

Article 21(3) – (compulsory acquisition of rights etc)

For “4A and 4B” substitute “4A or 4B”

Secretary of State’s rationale:

To correct a drafting error.

Article 21(3) – (compulsory acquisition of rights etc)

After “(1) are” add “respectively”

Correction to Schedule 9

Schedule 9 – (procedure for discharge of requirements) paragraph 4(2)(2)(ii)

Substitute “pursuan” for “*pursuant*”

Secretary of State’s rationale:

Corrections which the Secretary of State has not made

Article 7(6)(1) “Consent to transfer benefit of the Order”.

Add subparagraph to Article 7(6)(1)(a) “;or

Secretary of State’s rationale:

The correction has not been made because the Secretary of State does not consider that the addition would correct an error. The Secretary of State provided reasoning for excluding the requested subparagraph in his decision letter.
