Dear Sirs

**DCO Scheme: Five Estuaries Offshore Wind Farm**

**Our client: Network Rail Infrastructure Limited (Unique Identification Number: 20049276)**

**Applicant: Five Estuaries Offshore Wind Farm Limited**

**Subject: Network Rail Infrastructure Limited's Response to the Examiners Written Questions dated 08 October 2024**

This Firm is instructed by Network Rail Infrastructure Limited (**NR**) in relation to the DCO Scheme and we write in response to the Examiners Written Questions dated 08 October 2024.

**TT.1.03 Assessment of Onshore Traffic and Transport Impacts**

*Do you consider that the assessment of onshore traffic and transport impacts for the Proposed Development, as set out in Chapter 8 of the ES [APP-090] and the Traffic and Transport Baseline Report [APP-172 and APP-173] addresses all relevant issues?*

*If not, what are your concerns and how might they be addressed?*

**NR Response:**

Network Rail are not aware of any adverse impacts on Railway Property at the time of writing. They continue to assess the impacts that traffic will have on Network Rail Property, and will update the Examining Authority if necessary.

Should you have any queries, please don't hesitate to contact us on the details below.

Yours faithfully

**Addleshaw Goddard LLP**
