Dear Sirs,

Further to Arcadis's e-mail below and NGET's written representation submitted at deadline 2. We write to update PINS that we are continuing to seek to agree bespoke protective provisions with the promoter for the protection of NGET's future assets and the interaction between the Norwich to Tilbury Project and the Five Estuaries Project.

We anticipate being able to submit agreed protective provisions at deadline 5 and accordingly have delayed submitting protective provisions for NGET's benefit at deadline 4 in the anticipation that by delaying slightly until Deadline 5, we will be able to have a clearer and agreed position with the Promoter.

Kind regards

Abigail
