Address Line 2: Beaumont

Town/City: CLACTON-ON-SEA

County: [REDACTED], Barkers Lane, Beaumont

Post Code: CO16 0AL

Telephone Number: [REDACTED]

Contact By: email

Land Information

Details of Land (if different from person's postal address)

Further Information

The boundaries of these new plans have changed since I last viewed them back in April this year. The work to be carried out did not come up Barkers Lane previously, it came across fields that are opposite our premises and along Swan Road. As these have changed, we are now concerned that this will impact our only route from our home. I would not have been an interested party before these new highlighted areas were posted at the end of our lane. The lane is council owned, but as it is our only route out of the property this would have a detrimental impact on our daily lives, as well as Barkers Farm at the end of the lane.
