1 EXPLANATORY NOTES FOR LAND RIGHTS TRACKERS (LRT)

1.1.1 The following notes are provided for additional context for the following trackers.

1.2 PART 1 – ‘CAT 1 OWNERS’

1.2.1 Part 1 of the LRT includes all Category 1 Owners or Reputed Owners identified within the 4.1 Book of Reference [APP-026] where acquisition of land and rights is required, and the land interest is able to provide proof of title.

1.2.2 Part 1 of the LRT does not include tenants, lessees and occupiers identified as Category 1 interests in the Book of Reference, save for where they have submitted representations during Examination. In which case they will sit in Part 2 of the LRT. The Applicant is requesting such interests be signatories to voluntary agreements with Category 1 Owners or Reputed Owners identified within the 4.1 Book of Reference [APP-026].

1.2.3 The LRT does not include commentary with Category 3 interests identified in the Book of Reference as they are outside the Order Land and therefore not subject to any acquisition of land, rights nor temporary possession.

1.2.4 Where no interest has come forward declaring or proving ownership of unregistered plots, negotiations are not ongoing, and the plots have not been included in the LRT.

1.3 PART 2 – ‘ALL OTHER INTERESTS’

1.3.1 Part 2 of the LRT includes commentary in respect of voluntary agreements being sought with Category 2 interests in the 4.1 Book of Reference [APP-026] as having rights and/or apparatus within the Order Land.

1.3.2 Part 2 further separates Category 2 interests identified as statutory undertakers and provides commentary in respect of voluntary agreements being sought.

1.4 SECTION NOTES

1.4.1 Each tracker includes five Sections, each with multiple columns.
