

Submission ID: 11706

Could I register to attend the following Hearings virtually please:

ISH1 (16/11/22) Scope of the proposed development;

ISH2 (17/11/22) draft Development Consent Order.

I am registering as the Examining Authority's letter of 18th October 2022 requests the Environment Agency participates in the Hearings. However, there are no specific matters on which I wish to make representations.
