---

Hello Planning Inspectorate,

I have read the Public Notice regarding the proposed Green Energy Park in North Lincolnshire and would like to register to attend the Hearing on Thursday 17<sup>th</sup> November at Forest Pines.

Is this email sufficient for those purposes ?

I have a distinct interest in certain aspects of the proposal – particularly the creation of mitigation habitat.

It may be that I would want to speak, so would like to register for that purpose, too.

Kind regards

*David Connell*
