Dear Ms Norris,

## **NORTH LINCOLNSHIRE GREEN ENERGY PARK PROJECT**

### **THE PLANNING ACT 2008**

### **THE INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE) RULES 2010**

We write on behalf of the North Lincolnshire Green Energy Park Limited ('the Applicant') in response to the 'Rule 17' letter dated 8 December 2022 [PD-008] in which the Examining Authority has requested clarity relating to Document 5.2: RDF Supply Assessment (Revision 1.0) (REP1-006) provided at Deadline 1.

Please find attached an updated RDF Supply Assessment (Revision 2.0) (clean and tracked) to address this request for clarity.

The changes to this document include:

- Update to Table 4. It is noted that there was an error in this table, the column labelled 'Other recovery' should not have been left in as it was double counting some volumes. The 'Total' Column is the total of the other columns.
- Footnotes have been added to relevant Tables to explain that all numbers have been rounded to the nearest 0.1m tonnes. The perceived errors in the 'Total' columns of these tables related to rounding errors.
- Table 2 has been amended to correct some numbers that were wrongly transposed into the table.
- Tables in the Appendix have been relabelled as A1, A2, A3 etc to avoid confusion with the table numbers in the body of the document.
- A few minor spelling and formatting errors have also been picked up in the review of the document. These errors have been addressed but do not change the meaning or content of the document.
