9.19 Bibliography of External Reference Documents

PINS reference: EN010116

January 2023

Revision number: 0

BIBLIOGRAPHY OF EXTERNAL REFERENCE DOCUMENTS

Written Question Q1.0.8 requested that the Applicant provides a bibliography of documents that are external to the application. External references have been set out in the bibliography below. Wherever possible, a hyperlink has been provided to where the document can be found online. Where that hasn't been possible, a copy of the document has been provided. In some instances, it has not been possible to provide a copy of the document that has been referred to and where that is the case, a note has been provided as to why.

The bibliography will be updated as the examination progresses and additional references are required.
