**Date:** 21 February 2023

Dear Sirs

**Application by North Lincolnshire Green Energy Park Limited for an Order Granting Development Consent for the North Lincolnshire Green Energy Park Project, on land adj to Flixborough Industrial Estate, Stather Road/First Avenue, Flixborough, DN15 8SF – Deadline 5 submission**

In accordance with the Examination Timetable, please find below comments on information submitted at Deadline 4 relating to the Environment Agency's remit and previous representations.

**Draft Development Consent Order (dDCO), Revision 3 [REP4-005]**

We have reviewed the amendments made to Schedule 2, Part 1, Requirement 12 (Flood risk) in the dDCO and confirm that we are satisfied that these now adequately secure the submission and consultation on the detailed flood mitigation scheme, which we require before any authorised development may commence.

We also note that the Environment Agency has been included as a specific consultee to the discharge of Requirement 9 (Foul water drainage) on matters related to its function. We are satisfied that should any methods of foul water disposal, other than disposal to the mains sewerage system be proposed, this will enable us to provide comments on them.

Should you require any additional information, or wish to discuss these matters further, please do not hesitate to contact me at the number below.

Yours sincerely

**Annette Hewitson**  
**Principal Planning Adviser**
