### ***Updated Guide to Application***

All new documents providing updates or information, as requested by the Secretary of State, are referenced in the enclosed updated Application Guide (Document 1.2 – Application Guide [Revision 12]). A clean and tracked version has been provided for clarity. As requested by the Examining Authority, an additional column with the examination reference has been added to the document. Where a document is new and does not yet have an examination reference TBC has been used.

### ***Updates to ES Chapters 9, 19, Annex 7: CoCP and Annex 8: OEMP***

These existing documents have been updated in response to changes set out in Document 9.44 – Applicant’s Response to Request for Further Information by the Secretary of State. The reasons for the updates are included within that document.

### ***Updated Grid Connection Letter***

During the examination process the Applicant was in discussion with Northern PowerGrid to secure an additional 32MW of grid export capacity and an additional 33.68MVA of import capacity. The signed acceptance of this additional capacity offer has been provided as Document Reference 9.45 to this submission to confirm that the full 95MW of export capacity has been secured for delivery within the period of construction of the Project.

Yours faithfully,

A handwritten signature in black ink that reads 'DWD'.
