				required by way of an option to enter into an access agreement.
The King's Most Excellent Majesty In Right Of His Crown	Part 1, Part 2 & Part 3	Land to be Acquired		The offshore wind farm array area and offshore cabling will be situated within seabed owned and managed by the Crown Estate and no compulsory acquisition is proposed in this area. Rampion Extension Development Limited has signed two Agreements for Lease with the Crown Estate (one in September 2020, the other in February 2021), for seabed areas for the wind turbine generators. A third Agreement for Lease is currently under discussion between Rampion Extension Development Limited and The Crown Estate regarding rights required for Transmission Assets (which is proposed to include land up to the mean high water mark).. Carter Jonas contacted The Crown Estate with respect to rights required in an area foreshore subject to a regulating lease to Arun District Council in July 2022 and discussions are ongoing.
