

Principal Areas of Disagreement Summary Statement (PADSS) from Mid Sussex District Council (MSDC)		Version Number: Submitted at:	
Principal Issue in Question	Concern held	What needs to change/be amended/be included in order to satisfactorily address the concern	Likelihood of concern being addressed during Examination
Proposed Working hours for construction	<p>The applicant has set out in their submissions (Outline Code of Construction Practice) that they intend to operate within the following core working hours:</p> <p>07:00 to 19:00 hours Monday to Friday; and 08:00 to 13:00 hours on Saturday.</p> <p>The concern centres around the impact these working hours, and specifically a 07:00 start time on weekdays and 08:00 on Saturdays, will have on the residential amenity of neighbouring residents who live in close proximity to the construction areas.</p>	<p>The applicant should make a commitment to amend their proposed standard hours of construction to more closely reflect those working hours applied to all development by MSDC. That is as follows:</p> <p>08:00 to 19:00 hours Monday to Friday; and 09:00 to 13:00 hours on Saturday.</p>	Moderate – subject to applicant making such a commitment.
