

Information to identify the location

College Wood Farm, Steyning BN44 3DY. The farm is best located via Google Maps off Spithandle Lane where it is labelled 'T Ralph Dickson'. The relevant Order Plots associated with the requested ASI are: 25/1, 25/2, and 25/3.

Issues to be observed at the location

Our client firmly believes that a site visit by the Examining Authority is essential. This visit will allow the Examination Authority to visualise the potential negative impact the proposed cable route would have on our client's farming business. Moreover, it will offer a chance to show how an optimised engineering solution, or a revised route can accommodate our client's unique farming techniques and protected characteristics under the EA 2010 without compromising the delivery of the project.

Access

College Wood Farm can be accessed via public land off Spithandle Lane.

Reason why the location has been suggested

The location is central to Order Plots 25/1, 25/2, and 25/3, providing the best position to demonstrate our client's concern.
