1 INTRODUCTION

1.1 Purpose of this document

- 1.1.1 This Book of Reference (“BoR”) accompanies the application for a Development Consent Order (“DCO”) known as the Rampion 2 Offshore Wind Farm Order 2023 (“the Application” and “the Order”) (Application document 3.1) which has been submitted to the Planning Inspectorate by Rampion Extension Development Limited (“RED” or “the Applicant”) under section 37 of the Planning Act 2008 (the “2008 Act”). If made, the Order would grant consent for ‘Rampion 2’ (“the Proposed Development”) with an output in excess of 100 megawatts (MW) with a current estimated capacity of around 1200 MW. The Proposed Development is adjacent to the Rampion 1 Offshore Wind Farm in the English Channel, 13km to 25km off the Sussex coast.
- 1.1.2 This BoR has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the “2009 Regulations”), as amended, and in accordance with the Department for Communities and Local Government guidance ‘Planning Act 2008: Guidance related to procedures for compulsory acquisition’ (September 2013).
- 1.1.3 Land inside the boundary of the Order is referred to as within the “Order Limits”. Land which is within the limits of land to be acquired or used is referred to in this BoR as “Order Land”.
- 1.1.4 This BoR lists the plots of land over which the Applicant is seeking powers of compulsory acquisition (Articles 22 & 24) and powers of temporary possession (Articles 32 & 33) in the Order for the purposes of the Proposed Development. For each plot it identifies whether the Applicant is seeking the power to acquire the freehold of that plot outright, the power to acquire permanent rights or to impose restrictive covenants over that plot, or the power take possession of and use that plot temporarily.
- 1.1.5 The land described in this BoR, which is to be subject to powers of compulsory acquisition and/or temporary possession, is required to deliver the works comprising the Proposed Development which are described in detail in Part 1 of Schedule 1 to the draft Order (Application document [No]), the ‘Introduction to the Application’ (Application document 1.3) and in Environmental Statement Chapter 4: Proposed Development (Volume 2) (Application document No.6.2.4) and shown on the Works Plans (Application document No.2.2.2).
- 1.1.6 As this BoR is part of the Application documents it should be read in conjunction with the Land Plans (Application document 2.1.2), the Works Plans (Application document No.2.2.2), the Crown Land Plans, (Application document 2.8), the Special Category Land Plans (Application document No.2.4), the Statement of Reasons (Application document 4.1), the draft Order (Application document 3.1) and the Environmental Statement (Application document 6).

- 1.1.7 This BoR is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts are summarised in the next chapter, together with a brief commentary on how the requirements in the 2009 Regulations have been interpreted and applied to the collation of each Part of the BoR.

2 BOOK OF REFERENCE DESCRIPTION

2.1 PART 1 DESCRIPTION

- 2.1.1 Regulation 7(1)(a) of the 2009 Regulations states;

Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –

- I. powers of compulsory acquisition;*
- II. rights to use land, including the right to attach brackets or other equipment to buildings; or*
- III. rights to carry out protective works to buildings.*

- 2.1.2 Part 1 of this BoR contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the 2008 Act, along with the area of each plot of land in which the development will be carried out.

- 2.1.3 A person is within Category 1 if the Applicant after making diligent inquiry, knows that they are an owner, lessee, tenant, or occupier of the land. A person is within Category 2 if they are interested in the land or have the power to sell and convey or release the land.

2.2 PART 2 DESCRIPTION

- 2.2.1 Regulation 7(1)(b) of the 2009 Regulations states;

Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57.

- 2.2.2 A person is within Category 3 if, having made diligent enquiry the Applicant believes that they would be, or might be entitled to make a relevant claim (as defined in section 57(6) of the 2008 Act) if the Order were to be made fully and implemented.

- 2.2.3 A relevant claim is a claim under section 10 of the Compulsory Acquisition Act 1965, a claim under part 1 of the Land Compensation Act 1973, or a claim under section 152(3) of the 2008 Act for losses resulting from the implementation of the Order and use of the Proposed Developmentt.

- 2.2.4 Part 2 of this Book of Reference contains the names and addresses (if known by the Applicant) of each person whose land interest is not directly affected by the Order (i.e. their interest is outside the Order Limits), but who the Applicant believes may be entitled to make a relevant claim.
- 2.2.5 The Applicant considers that the following persons may also be entitled to make a relevant claim. However, given that their details have already been included in Part 1 of the BoR they have not been repeated in Part 2:
- a. Certain Category 1 'Owners' (where they are a category 2 interest elsewhere in the Order Limits).
 - b. Certain Category 1 'Lessees and Tenants'.
 - c. Certain Category 2 interests for land within the Order Limits.

2.3 PART 3 DESCRIPTION

- 2.3.1 Regulation 7(1)(c) of the 2009 Regulations states;

Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with

- 2.3.2 Part 3 of this BoR contains the names of all those with easements or other private rights over land which it is proposed shall be extinguished, suspended or interfered with in connection with the Proposed Development pursuant to the Order.
- 2.3.3 Category 2 persons included within Part 1 of this BoR have also been included within Part 3 where their rights may be affected. Examples include tenants of the land, or statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.

2.4 PART 4 DESCRIPTION

- 2.4.1 Regulation 7(1)(d) of the 2009 Regulations states;

Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made.

- 2.4.2 Part 4 of this BoR identifies plots in which there is a Crown interest that will be affected by the Proposed Development and the rights contained in the Order.

2.5 PART 5 DESCRIPTION

- 2.5.1 Regulation 7(1)(e) of the 2009 Regulations states;

Part 5 specifies land –

- i. the acquisition of which is subject to special parliamentary procedure;*
- ii. which is special category land*
- iii. which is replacement land*

- 2.5.2 Part 5 of this BoR identifies plots of land which constitute “special category land” for the purposes of sections 130, 131 and 132 of the 2008 Act that will be affected by the Proposed Development and the rights contained in the Order. In this case land held inalienably by The National Trust, Open Space and Common Land which are identified as such on the Special Category Land Plans (Application document No.2.4).
- 2.5.3 Further information on the Applicant’s justification for seeking to compulsorily acquire rights (including restrictive covenants) over special category land can be found in section 12 of the Statement of Reasons (Document 4.1).

3. BOOK OF REFERENCE GUIDANCE NOTES

3.1. Notes

- 3.1.1 The plot descriptions in Part 1 of this BoR provide the area of each plot in square metres. These areas have been repeated in Parts 3 to 5 of this BoR (the land included in Part 2 is outside the limits of land to be acquired or used).
- 3.1.2 The term ‘approximately’ is used before all plot area measurements as these measurements are given in square metres and each measurement is rounded up to the nearest whole square metre.
- 3.1.3 As explained above, each plot of land detailed in this BoR has been given a unique reference number. The first number relates to the Land Plans sheet on which the plot is located. The second number is included to differentiate between different land ownerships and purposes for which the land is required. These numbers are assigned from west to east.
- 3.1.4 The description of each plot of land includes reference to the principal land use power(s) sought in the draft Order in respect of that plot (i.e. acquisition or temporary possession). The table below is provided to explain the relationship between this BoR, the draft Order (Application document 3.1), and the Land Plans (Application document 2.1.2) and to clarify the powers sought in relation to compulsory acquisition and temporary possession.
- 3.1.5 To assist with identification, the details of any current known title numbers under which the land is registered at the Land Registry have been included in column (2) of the BoR. These are for indicative purposes only.
- 3.1.6 No powers to compulsorily acquire land or rights or restrictive covenants over land are sought in respect of the land shown coloured yellow on the Land Plans, nor is

it proposed to take temporary possession of the land for the purposes of carrying out or maintaining the Proposed Development.

- 3.1.7 All of the Order Land which is shown coloured pink, blue and green on the Land Plans is proposed to be subject to the powers to extinguish or suspend private rights pursuant to Article 25 of the Order and the power to override easements and other rights in Article 26 to the Order.
- 3.1.8 Land shown grey on the Land Plans is outside of the limits of land to be acquired or used and is not referenced in the BoR.

3.2. How to use this Book of Reference

3.2.1 The table below provides a step-by-step guide to enable any person with an interest in the Order land to identify how the Applicant's proposals may affect the land in which they have an interest.

| Table 3.2 - How to use this Book of Reference |
|--|
| Step One |
| Look at the Land Plans (Application document 2.2) and find the area (i.e., plot(s)) of land in which you have an interest. |
| Step Two |
| Note the colour and the number of the plot(s). |
| Using table 3.1 above, the colour of the plot(s) will tell you of the primary purpose for which it is required. |
| Step Three |
| Use the plot(s) number to identify where the land is referred to in other Application documents: |
| <ul style="list-style-type: none">• This BoR, which provides a description of each plot (including an approximate area measurement) and details of persons who own, lease or otherwise occupy or have an interest in the land.• The Statement of Reasons (Application document 4.1), Particularly Annex A, which provides details of the purpose for which compulsory acquisition and temporary possession powers are sought and references each plot in the BoR to these purposes.• The draft Order (Application document 3.1), which contains the powers needed to carry out the Proposed Development and includes the powers of compulsory acquisition and temporary possession to assemble and use the land required that are listed in Table 3.1. |
