You don't often get email from [REDACTED]. [Learn why this is important](#)

I am replying to the 16th January deadline to request an accompanied site inspection.

Please can you visit the Cratemans Farm area, the Cowfold Stream and the green lane between Moatfield Lane and Kent Street.

If this could be carried out in May, you would see and hear the amazing wildlife we are privileged to have and the impact this would have on these vital wildlife corridors.

Kind regards
