Good morning

**Interested Party Number: 20042904**

I wish to apply for an accompanied site inspection at my property:

Cratemans Farm  
Dragons Lane  
Henfield Road  
Cowfold, RH13 8DX

I would like the Inspectorate to see for themselves the impact that the proposed cable route will have on my land which, as I have stated before, is untouched pasture, home to various animals, birds etc. Also I want the Inspectorate to see that Dragons Lane is totally unsuitable for Rampion traffic, being a single track unmade up, unadopted lane.

The proposed cable route will affect virtually every field on my land which will never fully recover from the construction process.

Yours faithfully
