

Actions agreed during Hearing 1 omitted from the Official List of Actions (Examination Library Reference EV3-020, document number EN010117.)

In response to issue raised in written representation (Examination Library Reference PEPD-094 - Submission ID: 25446) which was discussed at ISH1; agenda item 4. (Session 4 - Effects of the Proposed Substation at Cowfold/Oakendene, iii. Kings and Moatfield Lanes.), the applicant stated at the end of the session when the actions were confirmed, that they would "...provide more granularity regarding maintaining access ....".

However, the actions listed by the applicant are in "EN010117: Application by Rampion Extension Limited for the Rampion 2 Offshore Wind Farm Action points arising from Issue Specific Hearing 1" do not include all the actions which the applicant confirmed verbally (as evidenced in Recordings and transcripts for Issue Specific Hearing 1 (ISH1) official recordings). One specific omission is the specific action related to "Agenda Item 4 - Effects of the Proposed Substation at Cowfold /Oakendene" and the discussion point related to access for residents of Kings Lane residents, mentioned above. The applicant should ensure that all agreed actions are documented and addressed
