

Susie Fischel is the owner of Sweethill Farm, [REDACTED], which is within the Order Limits.

The proposed Rampion 2 Offshore Wind Farm development provides for 700 metres of cable to be installed on Sweethill Farm. Sweethill Farm is therefore subject to the compulsory acquisition powers in the draft Development Consent Order and included in the Applicant's Book of Reference [APP-026]. Susie Fischel is an Affected Person for the purpose of section 59(4) of the Planning Act 2008. The Fischels are concerned about various aspects of the proposed cable route, explained in further detail in their Written Representation filed at Deadline 1 [provisional document reference SHF1]. The Fischels request to be heard at any Compulsory Acquisition Hearing (CAH), in order to have the opportunity to explain their concerns to the Examining Authority. If the Fischels are not heard at the CAH, then they request to be heard at the next Open Floor Hearing.
