

**Representation from Ancleggan Limited in response to the Examiner's request for comments on the Applicant's draft itinerary for the ASI.**

1. Ancleggan requested the Examiner made an Accompanied Site Inspection to the land in which it has a registered interest next to Bolney substation in its submission made on the 11 January 2024 (**PEPD-060**).
2. Ancleggan notes that the Applicant hasn't included this property in its Draft Accompanied Site Visit Itinerary (**REP2-016**).
3. Ancleggan repeats its request for the Accompanied Site Inspection in the light of the Representation from Ancleggan Limited in response to the Applicant's response to Affected Parties' Representations (Documents 8.51, Table 2-3).
