Dear [REDACTED]

I regret that the Council is unable to attend or make representation at the forthcoming CAH hearings. Please would you cancel the Council's planned attendance at these.

My apologies for any inconvenience this may cause to the examination process. Positive discussions are underway with Carter Jonas to secure their agreement that they will meet the Council's fees reasonably incurred so that it can seek professional advice on the proposed Heads of Terms and land easement agreement. Pending the outcome, the Council is unable to commit to expenditure on the professional advice it needs both as a public body and charitable trustee to the Washington Recreation Ground and Allotment land.

Kind regards

Zoe Savill
