

## Video Submission Proforma

File name: JHCCratemansAJune24.mp4

This is a short video clip (in order to email) of a meadow habitat in the cable construction route. The clip shows the grass and wildflower quality of Field A at Cratemans Farm, Cowfold at the optimum time of June 2024 in parallel to the Applicant survey of June 2022. The species list is included in written submission PDF.

Please attach this to my written representation for deadline #5.
