Dear Sir

We write further to your letter of 25 November 2024, to provide the Applicant’s responses to Part 2 of the Request for Information contained therein. Our Part 1 response was submitted on 6 December 2024 in accordance with the request set out in your correspondence.

By way of response to the Part 2 requests we hereby enclose the following documents:

Document Name	Reference
Applicant Responses to the Secretary of State’s Request for Information – Part 2 Including appendices 1) Statement of Common Ground between the Applicant and MMO 2) Post Examination Herring Note <i>and the following documents which are further referred to therein:</i>	
<i>Updated Chapter 11 of the Environmental Statement - clean version</i>	6.2.11
<i>Updated Chapter 11 of the Environmental Statement - tracked version</i>	6.2.11

We note that Part 1 submissions have been submitted by other parties and were published on 10 December 2024. The Applicant has not had an opportunity to review these submissions given the time available but may make further representations to the Secretary of State following review where it is considered that this may be of assistance in the determination of the application.

Finally, we noted in our letter of 6 December that the Applicant had continued to engage with Aquind Limited regarding the interface of the construction phases of the Rampion 2 Offshore Wind Farm and Aquind Interconnector and that we would provide our response to Aquind's recent further representations to the Secretary of State when providing the Applicant's responses to Part 2 of the Request for Information contained in your letter of 25 November 2024. A response comprising a letter from the Applicant's legal representative with enclosures, accompanies this correspondence.

Should you have any queries in relation to this letter or the documents appended hereto, we would be happy to address these further as required.

Yours faithfully

Rampion Extension Development Ltd
