Appendix E-2: List of consultees under s42(1)(d)

E-2.1 **Table E-2.1** below sets out consultees under s42(1)(d) below. It notes whether they are still in the **Book of Reference [EN010118/APP4.3]** and if not the reasons why, their primary interest in land and the category of s44 of the Planning Act 2008 under which they were consulted and the dates they were consulted. **Table E-2.2** identifies statutory and utility undertakers who were consulted under section 42(1)(d) as it was considered they had the potential to hold an interest in the Order land. Where the Applicant has subsequently confirmed those undertakers do not have an interest in the Order land, they no longer appear in the Book of Reference (Part 6) and this has been noted in the relevant entry in the table.

E-2.2 In relation to both tables, an example of the letter sent to consultees between 1 June and 13 July 2021 is included in **Appendix F-1** of the **Consultation Report [EN010118/APP/5.7]**; examples of letters sent to consultees between 26 October 2021 to 23 November 2021 and 11 January 2022 to 8 February 2022 are included in **Appendix K-1** of the **Consultation Report [EN010118/APP/5.12]**; and examples of letters sent to consultees identified through ongoing due diligence consulting them between 11 January 2022 and 8 February 2022 are also included in **Appendix K-1** of the **Consultation Report [EN010118/APP/5.12]**.

E-2.3 In both tables, the Consultation Report Reference corresponds to where consultees are identified in **Appendix J-4 [EN010118/APP/5.4]** where consultation responses from consultees under s42(1)(d) and the regard had to them by the Applicant are set out. In both tables, Mort stands for Mortgagee, Occ stands for Occupation, FH stands for Freehold, GE stands for General Entities and WS indicates that interests are widespread across the Order limits.
