**1. Written Summary of Comments made by Laura Johnson ('LJ') (Senior Built Heritage Consultant acting for BDC (from Essex County Council Place Services))**

Agenda Item 2 'Historic Environment' (Excluding Archaeological Matters)

- 1.1 LJ confirmed that she was in agreement with the applicant's (Aecom's) findings in respect of built heritage assets within the Braintree District. When questioned (there was some slight confusion from the inspector as I spoke after Michel Hurst, Heritage Officer for Chelmsford), I confirmed it was Aecom /Mark Service I was in agreement with; I have no comments to make on the items raised by Michael Hurst which affect heritage assets within the Chelmsford District.
