**Subject:** Itinerary ASI Longfield FAO Simon

Good Morning,

I had failed to notice that the itinerary does not include any of the land adjacent to White House Farm and especially the parts which concern me most and which I have referred to in previous comments throughout the planning process.

Would it be possible for the Planning Inspectorate Team to look at these sites?

My particular concern is the view from the north side of my property and the view from the North West corner of Scarletts Wood (OS Grid Ref TL 741 147) which currently is a view for 3 miles as the crow flies towards Fuller Street and Ranks Green including at certain times of the year St Mary's Church Great Leighs.

I discussed this with Simon from the Planning Inspectorate Team this morning at Hatfield Peverel Village Hall and he suggested that a visit by the team either today or on a future occasion might be possible.

With kind regards.

David Kelly MBBS FRCA (Lt Col Retired)
