Hi Georgie

Thanks for the email

Just to be clear we are not registered as an interested party but you have accepted our submission can you just clarify please

We will make a relevant rep at deadline 1 but would also like PINS to take note we have had no consultation from the North Falls team at all and given we are the largest port on the Thames I am somewhat disappointed we have not been consulted directly.

In my view we should have been a direct consultee

Regards

Peter Ward
